**Ontario Early Years, York North  
Outreach & Satellite Programming**

*Centres welcome families, caregivers and their children, birth to six.*

**Parent Child Mother Goose (3 - 10 months)**

With the teaching directed toward the parent, this interactive program focuses on the pleasure and power of rhymes, songs and stories. This popular program supports language, literacy and attachment.  
**REGISTRATION IS REQUIRED.**

**Stay & Play (Birth - 6 years)**

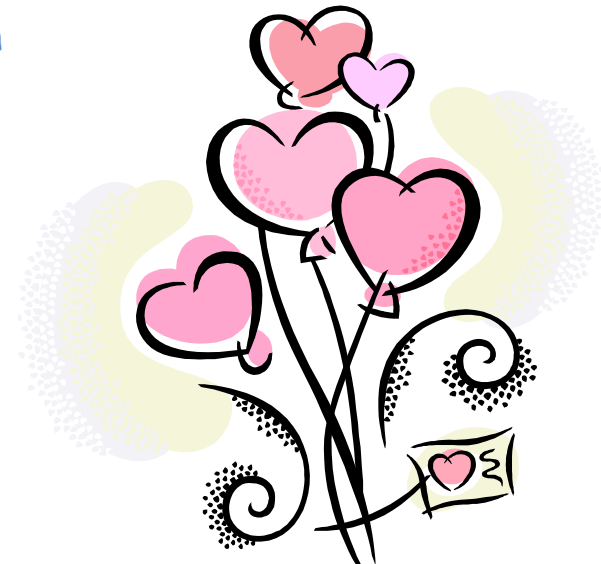

During this unregistered program, children and parents can share in a variety of early learning activities available to enrich language and social skills. We invite you to explore our resources and approach our Early Learning Educators with any questions you may have. **REGISTRATION NOT REQUIRED.**

**Roots of Empathy**

This program pairs a neighbourhood infant & parent with a JK/SK classroom where they visit regularly for one school year. Children are coached to observe the baby's development, celebrate milestones, interact & learn about a baby's needs. The emotional literacy taught in the program builds more caring classrooms.

Programs on this calendar run in addition to our main centres in Newmarket and Georgina.

Babes in arms are welcome to attend all programs with older siblings
