Colour My World

1 to 6 years

Join us for this unique take on the world of colour which will offer parents and caregivers a time to engage in early learning activities that will support social interactions with their children.

There is one colour chosen each week and through a variety of books, stories, songs & activities, we explore and play using creative, everyday materials, promoting literacy through stories and rhymes.

At circle time, language development and age appropriate songs, finger plays and early learning activities are presented for you to enjoy with your child.

**IT WOULD BE GREAT
TO HAVE EVERYONE WEARING
SOMETHING FROM THE DAY'S COLOUR!**
