

## Story Stretchers

1 - 6 years

This is an exciting opportunity to explore a favourite story and bring ideas from the book into your everyday world.

We will read a book together and families will experience aspects of the story using a variety of early learning activities as we take the concepts and ideas discussed into all of our learning areas. We will integrate the children into the story with drama, games, crafts and sensory experiences.

Our stories may include:

- ❖ Mortimer
- ❖ The Very Hungry Caterpillar
- ❖ Brown Bear, Brown Bear
- ❖ Knuffle Bunny
- ❖ Go Away, Big, Green Monster

As we read, we will acknowledge the wonderful value of books.
