Program Descriptions

<p>Fun with Science – An opportunity for children ages 2 to 6 to learn along-side their parents/caregivers about science through our interactive and hands-on science-themed activities. This program lets children experience fun and engaging, age-appropriate science experiments. Please bring a snack.</p>
<p>Play & Learn – This program is for 0 – 6 aged children and their parents, caregivers. The focus is on supporting your child’s learning through play. Each week includes an assortment of activities that encourage children to use their five senses and movement to explore and discover. These “hands on” activities help children develop their math, science, and language concepts in ways that are fun and developmentally appropriate. The focus is on supporting your child’s learning through play. Please bring a snack.</p>
<p>Twinkle Toes – A wonderful way to stimulate children’s engagement in active, musical play while supporting their physical, intellectual, emotional, and creative growth. Children ages 2 ½ to 6 years and their parents/caregivers are invited to register for this program. Please bring a snack.</p>
<p>Babytime – is a wonderful time for you to come and meet other parents with babies in our community. This is a time where we will learn nursery rhymes, talk about ages and stages of development and how to enjoy this exciting time with your child. Please don't worry if your child is asleep in the stroller or seat. This is a great time for you and your child when they do wake up! This program is for 14 weeks. Each week will be a different topic or activity for you and your child to explore. Please bring a snack.</p>

Program Locations

<p>Morning Glory Public School 29478 ON-48, Pefferlaw, ON L0E 1N0</p>	<p>Lakeside Public School 213 Shorecrest Rd, Roches Point, ON L0E 1P0</p>	<p>St. Bernadette Catholic Elementary School 5279 Black River Rd, Sutton, ON L0E 1R0</p>
