Play & Learn - This **NO COST** program is children aged 0-6 years and their parents/caregivers. The focus is on supporting your child's learning through play. Each week includes an assortment of activities that encourage children to use their five senses and movement to explore and discover. These "hands on" activities help children develop their math, science, and language concepts in ways that are fun and developmentally appropriate. The focus is on supporting your child's learning through play.

Parent-Child Mother Goose – This **NO COST** program is for children 0-12 months of age and their parents/caregivers. The Parent-Child Mother Goose Program is a group experience for parents and their babies and young children focusing on the pleasure and power of using oral and through the air rhymes, songs, and stories together.
