Play & Learn - This **FULLY FUNDED** program is available at NO COST for children 0-6 years and their parents/caregivers. The focus is on supporting your child’s learning through play. Each week includes an assortment of activities that encourage children to use their five senses and movement to explore and discover. These “hands on” activities help children develop their math, science, and language concepts in ways that are fun and developmentally appropriate. The focus is on supporting your child’s learning through play. – **To register call: 905 – 806 - 1895**
