To register: email lchapman@yorkchild.ca

Include: names of Parent & child(ren), program name, location, day of the week and phone number.

Maximum of three (3) virtual programs per week per child.

Maximum of one (1) in person program per week per family.

For in person programs, we will be limiting the number of adults attending with children, no more than one adult per child.

A zoom link for each individual program will be emailed separately to you to use during October.

Families will be emailed prior to program if specific items would be required for full participation.

Outdoor programs will run rain or shine, dress accordingly

Snack will not be provided in programs until we are informed by Public Health it is safe to do so.

Feel free to bring your own nut-free snack.

We will be closed Saturday October 10th, Monday October 12th for the Thanksgiving holiday weekend. There will be no programs running.

For individual support, please email lchapman@yorkchild.ca and an EarlyON Educator will phone or email you. This could be for general parenting questions regarding child development and early learning support as well as Triple P strategies.

You may also call the centre Friday and Saturday afternoons as indicated on the calendar.

Please visit our Facebook page. We have a range of at home activities, recorded songs and stories by our EarlyON Educators and links to many parenting supports.

Program descriptions for new programs:

Musical Babies*: includes songs, bounces and rhymes using musical instruments and other props

Baby Move & Groove*: includes rhymes, songs, tickles, bounces and provides information & activities to promote motor development.

***it is not our intent to have the babies watching the screen – they should be interacting with you. Babies do not need to be awake or participate, the program is for the parents to connect with others and to learn some new activities to do with their infant.**

Little Chefs: circle time followed by preparing their lunch. The menu will be emailed with enough time to ensure ingredients are available for child to fully participate.

Kindergarten skills & support: includes circle time, sharing time, numeracy and literacy activities to support the at-home learners and their parents.

Move & Groove: includes songs and activities to help improve children's balance, co-ordination, strength, endurance and confidence while having fun.
