Program descriptions for new programs:

Musical Babies*: includes songs, bounces and rhymes using musical instruments and other props

***it is not our intent to have the babies watching the screen – they should be interacting with you. Babies do not need to be awake or participate, the program is for the parents to connect with others and to learn some new activities to do with their infant.**

Little Chefs: circle time followed by preparing their lunch. The menu will be emailed with enough time to ensure ingredients are available for child to fully participate.

Little Bakers: circle time followed by preparing baked goods. The menu will be emailed with enough time to ensure ingredients are available for child to fully participate.

Little Scientists: circle time followed by science experiments, using items typically found in your kitchen. You will be emailed with enough time to ensure materials are available for child to fully participate.
