We will be closed February 13th - 15th, 2021 for the Family Day Holiday weekend.

To register: email ycdearlyonscreen@gmail.com

Include: names of Parent & child(ren), program name, day of the week and phone number.

Maximum of three (3) virtual programs per week per child.

Maximum of one (1) in person program per week per family.

For in person programs, we will be limiting the number of adults attending with children, no more than one adult per child.

A zoom link for each individual program will be emailed separately to you.

Outdoor programs will run rain, snow or shine, please dress accordingly.

For individual support, please email ycdearlyonscreen@gmail.com and an EarlyON Educator will phone or email you. This could be for general parenting questions regarding child development and early learning support as well as Triple P strategies.

You may also call the centre Friday and Saturday afternoons as indicated on the calendar.

Please visit our Facebook page. We have a range of at home activities, recorded songs and stories by our EarlyON Educators and links to many parenting supports.

***It is not our intent to have your baby watching the screen – they should be interacting with you. Your baby does not need to be awake or participate, the program is for you (the parent) to connect with others and to learn some new activities to do with your infant.**

Program descriptions for newer programs:

Little Chefs: circle time followed by preparing their lunch. The menu will be emailed with enough time to ensure ingredients are available for child to fully participate.

Little Bakers: circle time followed by preparing baked goods. The menu will be emailed with enough time to ensure ingredients are available for child to fully participate.

Junior Scientists: circle time followed by science experiments for our younger children, using items typically found in your kitchen.

Family Fun: Each week will have a different focus. Every week will have a circle time followed by theme specific activities. Themes may include Beach time, PJ party, teddy bear's picnic, little artists, little musicians.

Let's Create: This is a combination of our many programs, and no two weeks will be alike. One week may be cooking, the next may be baking followed by an art experience or a science experiment.

For most programs, you will receive weekly emails with enough time to ensure materials are available for you and child to fully participate.
