We will be closed September 4-6 due to the Labour Day.

Registration Information for Outdoor Programs

Outdoor programs will be held in community parks that offer easy accessibility, the capability to physical distance and the enjoyment of nature. Birth- 6 years

For in person programs, we will be limiting the number of adults attending with children, maximum 2 adults per family. Family/parent support will be available following each program.

- To register, please email ycdearlyonscreen@gmail.com
- Include: names of adult(s) & child(ren), program name(s), day(s) of the week and phone number.
- Maximum of one (1) in person program per week per family.
- Only pre-registered people will be permitted to attend.
- Once you have registered for an outdoor program, additional information will be emailed.
- Families must complete a screen each day prior to attending <https://covid-19.ontario.ca/school-screening/> and email them to ycdearlyonscreen@gmail.com
- Adults attending program must wear a face covering (cloth or medical mask) when unable to maintain a 2-metre distance.
- Outdoor programs will run rain or shine, dress accordingly.
- In the event of extreme weather conditions, families will be contacted.
- Feel free to bring your own nut-free snack.
- We will have various exploration tools available, appropriate to the season.

Registration Information for Virtual Programs

- To register, please email ycdearlyonscreen@gmail.com
- Include: names of adult(s) & child(ren), program name(s), day(s) of the week and phone number.
- Maximum of three (3) virtual programs per week per child.
- A zoom link for each individual program will be emailed separately for your use.
- Families will be emailed prior to program if specific items will be required for full participation.
- Family/parent support will be available following each program.
- Program descriptions included at the end of this document.

It is not our intent to have the babies watching the screen. Babies should be interacting with you. Babies do not need to be awake or participate. The program is for the adults to connect with others and to learn some new activities to do with their infant.

Individual Family Support

- If you would like to connect with an EarlyON Educator, please send an email to ycdearlyonscreen@gmail.com with your contact information. An EarlyON Educator will respond to your request.
- Visit the [YCD Website](#) for an online form to connect with an EarlyON educator.
- Visit our **NEW** Facebook page. We have a range of at home activities, recorded songs and stories by our EarlyON Educators and links to many parenting supports:

Virtual Program Descriptions

Bedtime Stories and Songs: A few lively songs to start our program, followed by a story and closing off with new and old favourite lullabies. The 30-minute program is a great way to end off the day and get ready for a sweet sleep. Birth to 6 years

Discovering Science: Each week a science concept will be explored through hands on experiences with items you can find around the house. 3-6 years

EarlyON Circle: A program filled with a variety of songs, tickles, and rhymes as well as story time. Birth-6 years

EarlyON Circle with Instruments: In this program children will have the opportunity to use different materials each week as musical instruments and incorporate them into circle time songs and rhymes. Birth-6 years

Fun with Ones and Twos: This program includes a circle time with songs and stories and interactive activities. This program may include, early literacy and math, exploring senses, becoming more active and creative arts. 12-36 months

Infant Massage: Infant Massage: In this program we will explore the value of nurturing touch while caregivers learn how to use various massage strokes to benefit the health and well-being of their babies. Birth-6 month

Junior Scientists: Circle time followed by science experiments for younger children, using items typically found in your home. 18-36 months

Let's Create: This program will focus on creative art activities. 3-6 years

Little Chefs: Together we will make a nutritious and delicious lunch. The menu will be emailed to you with enough time to ensure ingredients are available for your child to fully participate. 2-6 years

My Baby & Me: During this program you will have the opportunity to engage in songs, bounces and activities while networking with other families. Birth-12 months

Preschool Play to Learn: In this program children are exposed to a variety of skills that develop in the early years. The program will focus on literacy, numeracy, and science through play. 2-4 years

Sing & Sign: An introduction to American Sign Language for hearing infants. This program is designed for interested families with infants to explore an alternate form of communicating. The sessions use songs and games as tools, allowing you to include signing in everyday routines. 5-12 months

Show and Tell: Each week children will have the opportunity to share and talk about a favourite item. This activity will support children to increase confidence in verbal communication. 2-6 years

Songs & Stories in French & English: A circle time done in both French and English, prior knowledge of either language is not required. 1-6 years

Storytelling: This program for older children will provide an opportunity to enjoy longer stories with more complex themes. We will engage in interactive discussions with the children as we read through the stories using books, puppets, felt boards etc. The value of oral storytelling will be included. 3-6 years.

Tinkering with Wood and Metal: Our tinkering program will encourage children to play, explore, investigate, ask questions, create, and find solutions as we work together using various wood/metal materials and tools around your home. 2-6 years

Triple P Fear-Less Seminar: The Fear-Less Triple P Seminar will introduce parents and caregivers to key anxiety-management strategies that support children (2.5- 6 years) with anxiety. Topics covered: understand how anxiety works, know how to help your child develop coping skills and face feared situations, and successfully manage children's anxious behaviours.

Triple P Fear-Less 6-week Group Workshop: This is a multi-level intervention program for parents of children with anxiety. The program helps parents understand the nature and causes of anxiety and the important role parenting plays in helping children overcome their anxiety. 2.5-6 years. *Interest list only. Educators will contact you to finalize registration.*

EarlyON Newmarket and Keswick
York Child Development & Family Services Inc.
17310 Yonge Street, Unit 6
Newmarket, Ontario L3Y 7R8 www.yorkchild.ca

Twinkle Toes: In this program we will introduce a balance of unstructured and structured movement. In addition, we will engage children in active, imaginative play which supports their ongoing physical, intellectual, emotional, and creative growth. 2.5-6 years

Parent Child Mother Goose: Mother Goose is an interactive group experience for parents and their babies. This program focuses on the pleasure and power of using rhymes, songs, and stories together. Birth – 10 months

S.T.E.M: We will have fun exploring S.T.E.M (Science, Technology, Engineering & Math) spending one session on each of the four topics. 2.5-6 years

Let's Get Started! For families concerned with the amount of screen time but are looking for new activities to do with their children, this may be perfect for you! We will introduce an activity and get you started and then leave you and your child/children to enjoy it together! 2-6 years

Rise and Shine, Come Stretch with Us: Start your day with us! Moving, stretching, and getting active in a fun way! 2-6 years.
