Registration Information for Virtual Programs

- ✓ To register, please email ycdearlyonscreen@gmail.com
- ✓ Include: names of adult(s) & child(ren), program name(s), day(s) of the week and phone number.
- ✓ Maximum of three (3) virtual programs per week per child.
- ✓ A zoom link for each individual program will be emailed separately for your use.
- ✓ Families will be emailed prior to program if specific items are required for full participation.
- ✓ Family/parent support will be available following each program.
- ✓ Program descriptions included at the end of this document.

It is not our intent to have the babies watching the screen. Babies should be interacting with you. Babies do not need to be awake or participate. The program is for the adults to connect with others and to learn some new activities to do with their infant.

Virtual Program Descriptions

Circle Time for Babies: Enjoy bounces, tickles, lifts, hugs, and kisses in song form for your baby birth to 12 months. This 30-minute program will create a wonderful bond between you and baby while also providing you with many songs to share together outside of our class. Birth - 12 months.

Community Safety with York Regional Police: Each week we will explore a different topic with a YRP Youth Engagement Officer. Topics include community helpers, looking at police uniforms, road safety and bike safety. 2-6 years.

Discovering Science: Each week a science concept will be explored through hands on experiences with items you can find around the house. 3-6 years.

EarlyON Circle: A program filled with a variety of songs, tickles, and rhymes as well as story time. Birth-6 years.

Fabulous Fingers: From strengthening the pincer grasp to using scissors, this program will engage children in some fun activities to help develop their fine motor skills. 18-36 months.

Family Yoga: An interactive program during which children and parents will learn yoga poses and yogic breathing which may help children (and parents) in supporting self-regulation skills. Listening to and following along with others is a valuable skill that may be learned in this program. 2.5-6 years.

Let's Create: This program will focus on creative art activities. 3-6 years.

Little Mathematicians: Math is everywhere in our environment! We will use a variety of songs, rhymes, and activities to discover how math can be part of everyday play. 2-4 years.

Marvelous Medley: Each week we will be offering a sample of activities from some of our favourite programs such as Family Fun, Story Stretchers, Science, Let's Create, etc. 1-6 years

My Baby & Me: Let's Chat: It takes a village to raise a child. During this program you will have the opportunity to network with other families and chat about the ups and downs when raising babies. Staff will share resources as needed. Birth-12 months.

Parent Child Mother Goose: Mother Goose is an interactive group experience for parents and their babies. This program focuses on the pleasure and power of using rhymes, songs, and stories together. 3-10 months.

Sensational Snacks: Together we will make a nutritious and delicious snack. The menu will be emailed with enough time to ensure ingredients are available for child to fully participate. 2-6 years.

Sing & Sign: An introduction to American Sign Language for Hearing Infants and Toddlers, this program is designed for families with infants interested in exploring an alternate form of communicating. The sessions use songs and games as tools, allowing you to include signing in everyday routines. Birth-12 months.

Songs & Stories in French & English: A circle time done in both French and English, prior knowledge of either language is not required. 1-6 years.

Story Stretchers: This is an exciting opportunity to explore a favourite story and bring ideas from the book into your everyday world. We will read a book together and families will experience aspects of the story using a variety of early learning activities as we take the concepts and ideas discussed into all our learning areas. We will integrate the children into the story with drama, games, crafts, and sensory experiences. 2-4 years

Tinkering with Wood and Metal: Our tinkering program will encourage children to play, explore, investigate, ask questions, create, and find solutions as we work together using various wood/metal materials and tools around your home. 2-6 years.

Triple P Fear-Less 3 & 6-week Group Workshops: This is a multi-level intervention program for parents of children with anxiety. The program helps parents understand the nature and causes of anxiety and the important role parenting plays in helping children overcome their anxiety. 2.5-6 years. *Interest list only. Educators will contact you to finalize registration.*

Twinkle Toes: In this program, we will introduce a balance of unstructured and carefully structured movement or stimulate children's engagement in active, imaginative play which supports their ongoing physical, intellectual, emotional, and creative growth. 2.5-6 years.
