It is not our intent to have the babies watching the screen. Babies should be interacting with you. Babies do not need to be awake for parents/caregivers to participate in infant programs.

## Virtual Program Descriptions

**Circle Time for Babies:** Enjoy bounces, tickles, lifts, hugs, and kisses in song form for your baby birth to 12 months. This 30-minute program will create a wonderful bond between you and baby while also providing you with many songs to share together outside of our class. Birth - 12 months

**Discovering Science:** Each week a science concept will be explored through hands on experiences with items you can find around the house. 3-6 years.

**EarlyON Circle:** A program filled with a variety of songs, tickles, and rhymes as well as story time. Birth-6 years.

**Junior Scientists:** circle time followed by science experiments for our younger children, using items typically found in your home. 18-36 months

**Let's Get Physical:** During this program we will stretch & bend and experience exercise activities that will help to keep our bodies healthy. Being active together benefits everyone and helps improve children's balance, co-ordination, strength, endurance and confidence. 2.5 - 6 years

**Little Bakers...Holiday Style:** Together we will make a delicious holiday treat. The menu will be emailed with enough time to ensure ingredients are available for child to fully participate. 2-6 years.

**Little Mathematicians:** Math is everywhere in our environment! We will use a variety of songs, rhymes, and activities to discover how math can be part of everyday play. 2-4 years.

**Parent Child Mother Goose:** Mother Goose is an interactive group experience for parents and their babies. This program focuses on the pleasure and power of using rhymes, songs, and stories together. 3-10 months.

**Show and Tell:** Each week children will have the opportunity to share and talk about their favourite things. This activity will support children to increase confidence in verbal communication. 2-6 years.

**Songs & Stories:** Together we will snuggle up and share some stories and songs. Each week will be a different focus. Birth-6 years

**Songs & Stories in French & English:** A circle time done in both French and English, prior knowledge of either language is not required. 1-6 years.

**Story Stretchers:** This is an exciting opportunity to explore a favourite story and bring ideas from the book into your everyday world. We will read a book together and families will experience aspects of the story using a variety of early learning activities as we take the concepts and ideas discussed into all our learning areas. We will integrate the children into the story with drama, games, crafts, and sensory experiences. 2-4 years

**Triple P Fear-Less 3 & 6-week Group Workshops:** This is a multi-level intervention program for parents of children with anxiety. The program helps parents understand the nature and causes of anxiety and the important role parenting plays in helping children overcome their anxiety. 2.5-6 years. *Interest list only. Educators will contact you to finalize registration.*
