EarlyON Program Descriptions

Baby and Me Parents, caregivers and babies are invited to join in on conversations and information sharing on healthy child development.

This program includes songs, rhymes, and activities, which encourage connections with your baby.

Baby Messy Play This program welcomes parents, caregivers and babies to engage with their senses to promote early learning and development. Join us in exploring creative messy activities while having fun.

Baby Move and Groove This program provides an opportunity for parents, caregivers and their babies to engage in active play that supports the development of gross motor skills while having fun. Through a variety of activities together we will stretch, bend and move to music to support healthy living while celebrating developmental milestones

Creative Chefs This program invites parents, caregivers, and children to participate in fun and interactive early learning experiences while preparing healthy and nutritious food. Resources on healthy eating and nutrition will be made available for families.

EarlyON Circle: A program filled with a variety of songs, tickles, and rhymes as well as story time.

Family Fun Outdoors This program provides the opportunity to visit local parks and outdoor spaces. Parents, caregivers, and children can come and enjoy some fun and interactive outdoor physical activities. Studies show that children who play outdoors are happier, healthier, and smarter. Our afternoon program will offer quieter activities for warmer days.

Family Stay & Play Parents, caregivers and children are welcome to engage in a variety of fun early learning experiences that build positive relationships. A selection of materials will be available for you to play and learn together while providing parents and caregivers with an opportunity to connect with others.

Little Artist Welcome to Little Artists! This program inspires the adult to nurture creative kids through easy, open-ended and fun activities. It's the kind of activities that children will want to do over and over again.

Musical Babies This program welcomes parents, caregivers, and babies to experience music together. Families will gather and sing songs, learn rhymes, and use a variety of musical instruments, props, and materials.

Registration Information for Programs: (unregistered) – no pre-registration required; we may have to limit entry based on capacity
 (series) – must pre-register and runs for multiple weeks.
 (pre-registered) – pre-register for the individual days you wish to attend

Nature and Me This program welcomes parents, caregivers and children outside to explore what nature has to offer. We invite families to discover, appreciate and respect nature through discovering sights, sounds, smells and touch along the way. There may be an opportunity to see animals and wildlife in their natural environment.

Playful Math Parents, caregivers and preschoolers are invited to a supportive environment that provides opportunities to discover and engage in social and interactive play to enhance every area of early learning and development.

Sing & Sign This program is an introduction to American Sign Language for hearing infants. The session uses songs and games as a tool to include signing in everyday routines. It is an opportunity to bond with your baby and support language development as well as attachment.

Songs, Rhymes and Stories This program welcomes parents, caregivers and children to experience a variety of stories and musical activities. Music brings the community together and families may have the opportunity to hear and share songs, rhymes and stories in different languages.

Strollers 'n' Motion This program highlights moving, walking, building strength, nurturing a healthy body & mind and creativity while creating an empowering community for everyBODY!

Tiny Toes Research says infants should be physically active several times a day for optimal growth and development. This program invites parents, caregivers and babies to engage in fun and interactive music and movement experiences to enhance and support adult-baby connection, physical literacy and early learning.

Toddler Time Parents, caregivers and toddlers are welcome to play together and discover the world through their senses. The nurturing environment enhances learning experiences that support healthy child development.

Twinkle Toes Movement is a basic and natural way which children use to learn and explore their world. This program introduces a balance of unstructured and carefully structured movement experiences to stimulate children's engagement in active, imaginative play which supports their ongoing physical, intellectual, socio-emotional and creative growth.
