Program Descriptions

#MorningCircle - Join us for an interactive program full of songs, stories, rhymes, and finger plays.

#MathMonday - Join us for our math program where we engage in games and activities to develop our basic math language, math concepts, and discover the joy in mathematics!

Walk and Talk - In this program we enjoy a walk and conversation at the beautiful space at Too Good Pond Park (Monday AM) and get our bodies moving while creating healthy social experiences. **Registration required.** To register, please email mbhogal@yorkchild.ca and include: names of adult(s) & child(ren), program name, day of the week and phone number.

#StoryStretchers - Snuggle up in a cozy spot and get ready to relax and enjoy new ways for young children to experience the magic of a great book. Children gain amazing benefits from being exposed to reading at an early age, and this program makes reading with young children an adventure in learning and fun!

Music in the Park - In this program we enjoy the wonderful space at Ashton Meadows Park (Mondays AM) and engage in music and movement activities that stimulate creative, physical, active and social experiences. **Registration required.** To register, please email mbhogal@yorkchild.ca and include: names of adult(s) & child(ren), program name, day of the week and phone number.

#ParleFrancais - Join us for some interactive songs and stories in French. A wonderful way to strengthen the mother tongue while building a foundation for learning. A wonderful opportunity to learn a language for non-French speaking children.

Play and Learn - This program is in person and is for 0 - 6 aged children and their parents/caregivers. The focus is on supporting your child's learning through play. Each week includes an assortment of activities that encourage children to use their five senses and movement to explore and discover at Aldergrove P.S. (Thursdays AM).

Registration for programs opens on September 02, 2022 at 9:00AM.
