Program Descriptions

#JuniorGardeners - Come and explore the basic fundamentals of pre-gardening for our little ones. With assorted crafts and gardening ideas to aid you in the spring.

Drop-In & Play - The focus in this program is on supporting your child's learning through play. Each week includes an assortment of activities that encourage children to use their five senses and movement to explore and discover. Sessions are held at The Link (Monday AM) and Morning Glory P.S. (Monday and Tuesday AM)

Creative Minds - This program will have a variety of activities that encourage your child's creativity and imagination. Children will explore their creative sides through music, play, art, and stories.

Parent Coffee Chat - Join us in person for a cup of coffee or tea and a friendly chat. Parents will meet, have conversations, swap stories, and give support to each other. You can drop-in or stay for the full time. Child minding, coffee and tea available. **March 7, 21, 28 at Morning Glory PS**

Walk & Talk - In this program we get outdoors and share conversation as we enjoy the surroundings of the Pefferlaw Lions Hall (Monday AM and Wednesday PM). Strollers are welcome.
