YCD SUMMER CAMP 2024

FDK-GRADE 4 GRADS

Meadowbrook PS is a short walk to George Richardson Park which offers a 74-acre park along the banks of the Holland River. There are mature trees, vast open green spaces, a pond, climbing structures, soccer fields and baseball diamonds. Next to the park is the Nokiidaa Trail. These spaces offer opportunities to climb trees, discover a variety of plant life as well as birds, fish, and other wild animals. This will allow us to enjoy the calm of our natural world.
