Seamless Transitions is an interactive parent-child program in person, indoor for children who are entering Junior Kindergarten in September 2024. This is a six-week program that focuses on nurturing the four foundations of learning; belonging, well-being, expression and engagement that children organically pursue which support optimal learning and a healthy environment. CAPC Educators will support children and their families by providing activities, resources and tips on how to support your child's transition to school. Seamless Transitions will provide you with a chance to observe and take part in their children's play-based learning with the intent of creating a common language and learning between home and school.

**Play and Learn** - The focus on this program is on supporting your child's learning through play. Children will explore their creative sides through music, play, art, and stories.

**#SingalongRhymeswithToys** - Join us on Facebook with our CAPC Educators as they explore rhymes to singalong with!

**#AfternoonStoryTime** - Snuggle up in a cozy spot and get ready to open up your imagination and enjoy a story live with our CAPC educators in the Facebook Group.

**#Storystretchers** - Join us for an interactive program full of songs, stories, rhymes, and finger plays.

**Spring Sunshine**- In this program we explore the season of Spring through a variety of activities and materials.
