Program Descriptions

Rhymes and Storytelling- Join us for Rhymes and Storytelling, a joyful gathering for children ages 0 to 6, where little ones can play, explore, and build social skills. This enchanting program features rhymes and captivating tales that brighten your day. Through engaging stories and playful rhymes, children will laugh, learn, and express themselves, watching their imaginations come to life in delightful ways.

Learn and Play - This indoor program follows a developmental approach aimed at fostering the cognitive, emotional, social, and physical growth of children from birth to six years old through interactive and enjoyable activities. The focus is to provide learning through free play and build positive relationship amongst families.

#Storytelling - Snuggle up in a cozy spot at home and get ready to relax and enjoy a story.

Fall Walk- Join us as we explore the beauty of autumn with a guided walk through the park, where little ones can enjoy nature's changing colours, collect fallen leaves, and engage in simple, age-appropriate nature activities. This program offers a wonderful opportunity for outdoor exploration and sensory experiences, all within a safe and welcoming environment for families. Located at Denison Park

#Circletime- Join us live on Facebook for a lively, interactive session designed to engage young minds in the joy of music and storytelling. Through age-appropriate songs and stories, children explore language development, coordination, and social interaction in a fun, stimulating environment.
