## Program Descriptions

**Musical Moments-** This program will feature activities that explore movement as well as music through circle time, songs and rhythm. Two locations and days to choose from.

**Sensory Play** - Everything your child tastes, smells or touches helps create new neural connections! Join us for our sensory play program as we explore our senses together.

**Pefferlaw Stroller Walk: Around and About-** In this program we stretch our legs, work our muscles and chat while we enjoy the outdoors. **Pefferlaw Lion's Hall meet in parking lot at 1pm. Program takes place rain or shine! (when necessary, cancellations due to severe weather will be posted on the Georgina Facebook Page).**

**#Feelings** - Children experience complex feelings just like adults. Join Jacky for a storytime designed to help your little ones talk about how they are feeling.

**Fun in the Park-** Join us at the De La Salle park for this new outdoor program at the covered picnic tables for a morning of outdoor activities as we explore the park together. **Program takes place rain or shine! **#"Circle of Life" Storytime-** Join Annette on Facebook each week for a storytime featuring the "Circle of Life: Learning From an Elder" series, written and illustrated by the Indigenous Education Coalition.

**Explore the Great Outdoors-** Join Annette at the ROC and get outdoors to look for the welcome signs of the changing weather and share conversations as we enjoy the surroundings. **Program takes place rain or shine!
